

## About the Conference

It is a great pleasure to invite you to participate in the RIAO-OPTILAS 2025 Conference, the flagship event for optics and photonics in the Iberian-American region. The conference will take place from November 17 to 21, 2025, at the Santa Cruz de la Sierra Campus of the Universidad Privada Boliviana in Bolivia.

RIA-OPTILAS 2025 aims to provide a dynamic platform for sharing the latest advances in optics and photonics, fostering knowledge exchange, and creating unique opportunities for collaboration. This prestigious event will bring together leading researchers, industry experts, and influential figures in the field, offering an inspiring environment for innovation and dialogue.

The conference will feature plenary and keynote sessions by renowned speakers, thematic workshops, and opportunities to explore breakthrough research and emerging technologies. These sessions will delve into groundbreaking ideas that promise to shape the future of optics and photonics across diverse applications.
